We answered no affiliations to this question because of the following reasons:

At the time the OP-1 was submitted in October 2011, International Transportation Services, Inc. was not undertaking transportation activities. It was until January 2012, that operating authority as a carrier was granted to this company under MC-770314-C USDOT-2257332, remaining Mr. Raul Valenzuela and Hector Mendoza as the main partners.

Our Company affiliations are:

Comments:

Finally, as a matter of clarification , there is another carrier whose name is frequently confused with ours:  
The other carrier name is Servicio Internacional de Logistica y Transporte, S.A. dba: SILT, who started up operations years later after our company did.

There is no relationship at all with this carrier.

Sincerely,

Servicio de Transporte Internacional y Local, S.A. de C.V.dba: STIL
